RATIONALE AND PURPOSE OF THE SCHEME

- A. The primary purpose of this Scheme (*as defined hereinafter*) is to effect an Amalgamation (*as defined hereinafter*) between the Transferor Company and the Transferee Company, as described in further detail below.
- B. The Amalgamation of the Transferor Company into the Transferee Company would have the following benefits:
 - (i) The Amalgamation is expected to achieve business synergies and more economies of scale.

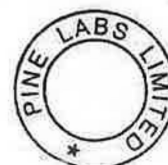

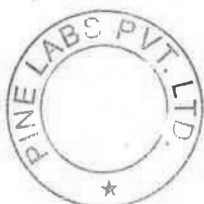

- (ii) The Amalgamation is expected to achieve cost savings from more focused operational efforts, rationalization and standardization of business processes by way of consolidation of the Group (*as defined hereinafter*).
 - (iii) The Amalgamation will lead to a reduction in overheads including administrative, statutory compliances and will improve efficiency and enable the Group to optimally allocate and utilize resources by avoiding duplication between India and Singapore.
 - (iv) The Amalgamation would enable the Transferee Company to use the combined managerial and operating strength of both, the Transferor Company and the Transferee Company, to build a wider capital and financial base as well as promote and secure overall growth of business.
 - (v) The Amalgamation will result in the shareholders of the Transferor Company directly holding shares in the Transferee Company, which will lead to simplification of the shareholding structure and reduction of shareholding tiers and also demonstrate the direct commitment to, and engagement of, shareholders in India.
 - (vi) The Amalgamation is intended to rationalize the business operations and activities of the Transferor Company and Transferee Company, to utilize the potential for growth, diversification and for optimization of costs and resources.
 - (vii) The Amalgamation would result in consolidation and simplification of the overall group structure, to enable more efficient management, control and operational excellence of its various businesses.
- C. In view of the above, it is proposed that the Transferor Company be amalgamated with the Transferee Company, pursuant to which the Transferor Company will cease to exist as a separate legal entity under the Singapore Companies Act, and shall be deemed to be dissolved without winding up for the purposes of the Singapore Companies Act.
- D. The Amalgamation of the Transferor Company with the Transferee Company pursuant to this Scheme shall take place with effect from the Appointed Date (*as defined hereinafter*).
- E. The Amalgamation of the Transferor Company with the Transferee Company in accordance with this Scheme will be in compliance with the provisions of Sections 230 to 232 read with Section 234 and other relevant provisions of the Indian Companies Act and Section 2(1B) of the Income-tax Act, 1961, such that:
- (i) all the assets / properties of the Transferor Company, immediately before the Amalgamation, shall become the property of the Transferee Company, by virtue of the Amalgamation;

 - (iii) all shareholders holding shares in the Transferor Company as on the Record Date (*as defined hereinafter*) shall become shareholders of the Transferee Company by virtue of the Amalgamation.
- F. Further, the Transferee Company has significant debit balance in its 'Profit and Loss Account'. With effect from the Appointed Date and upon coming into effect of this

This adjustment will ensure the Transferee Company to reflect its true financial position which would benefit the shareholders as it would yield better results and value. Further, the adjustment to the 'Capital Reserve Account' does not involve any financial outlay and therefore would not affect the ability or liquidity of the Transferee Company to meet its obligations/commitments or have any adverse impact on the creditors of the Transferee Company.

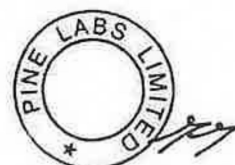

- G. Accordingly, this Scheme provides for the Amalgamation of the Transferor Company with the Transferee Company, reduction of the equity share capital of the Transferee Company to the extent of the Relevant Existing PLI Shares (*as defined hereinafter*) held by the Transferor Company in the Transferee Company, set-off of the debit balance of the 'Profit and Loss Account' of the Transferee Company against the 'Capital Reserve Account' of the Transferee Company and the consequent reduction of share capital of the Transferee Company to the extent of such adjustment and various other matters consequential to or otherwise integrally connected with the above pursuant to Sections 230 to 232 read with Section 234 and other relevant provisions of the Indian Companies Act, and Section 210 read with Section 212 and other relevant provisions of the Singapore Companies Act, in the manner provided for in this Scheme.
- H. This Scheme has been drawn up to comply with the conditions relating to "amalgamation" as specified under Section 2(1B) of the Income-tax Act, 1961. If any term or provision of the Scheme is found or interpreted to be inconsistent with the said provisions, including resulting from an amendment of law or for any other reason whatsoever, the Scheme may be modified in the manner provided in this Scheme to the extent determined necessary to comply with Section 2(1B) of the Income-tax Act, 1961. Such modification will however not affect other parts of the Scheme.
